

Brochure

valuejunction a business unit of mjunction services limited has been appointed by TATA STEEL LIMITED to sell their 2 aircraft engines and spare parts of their aircrafts.

About mjunction: mjunction services limited, is a 50:50 venture promoted by SAIL and TATA Steel. Founded in February 2001, it is today not only India's largest e-commerce company (having e-Transacted worth over INR 3,52,000 crore till date) but also runs the world's largest e-Marketplace for steel. Business volume of the company in terms of Transaction Value has soared from INR 94.35 crore in FY'02 to INR 43,108 crore in FY'14, registering a CAGR of 72%.

Introduction to the business unit (valuejunction): valuejunction, a business division of **mjunction Services Limited** focuses on the monetization of Idle assets; Industrial assets (includes all types of plant & machineries), obsolete spares and regular asset scrap (includes hazardous items), natural resources. Within a very small span of time, the unit has successfully sold an array of varied assets of worth more than INR 115682 Crores.

Material details: The sale will be **as-is-where-is & no-complaint** basis. The interested buyers are requested to visit the plant and inspect the material, to satisfy them.

SPARES FOR DISPOSAL

Onsite inspection:

Interested buyers are requested to visit the site for inspection of the equipment; Inspection will only be permitted by giving prior notification to the valuejunction team at least 2 days before the date of visit. Customers are visiting the site are required to carry the following documents:

- **Photo identity proof of each visitor**
- **Company letterhead.**

Location of the materials: TATANAGAR , Jharkhand India.

Interested buyers are requested to contact the **valuejunction** team for further details.

valuejunction team details:

1. Mr. Gaurav Das, 8584008249, gaurav.das@mjunction.in
